<u>An Uncertain Founding: Santa Fe</u>

Presented as part of the special issue "Early Cities of the Americas."

"For most of the twentieth century, the actual year of the founding of Santa Fe was a matter of historical speculation, and the name of its founder, Juan Martinez de Montoya, has only recently been accepted by scholars."

Imperial city of the Aztecs: Mexico-Tenochtitlan

Presented as part of the special issue "Early Cities of the Americas."

"Tenochtitlan's precarious, dynamic order was held together by a passionate devotion to religion and the discharging of the Aztecs' special and ever-expanding obligation to the gods."

When Johnny Comes Marching Home...from the Bank

Presented as part of the special Politics Issue

There is a romantic notion that this American expansion was achieved by settlers unaided by government—the rugged frontiersmen of the mythic West. In reality, however, the United States expanded through state action.

Print Culture and Popular History in the Era of the U.S.-Mexican War

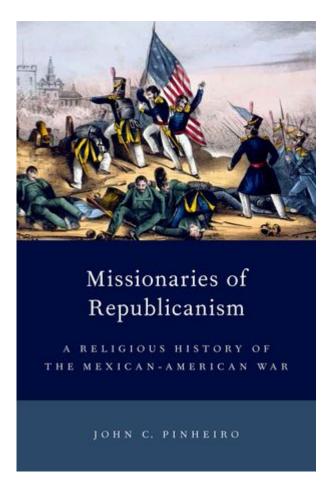

The racial agenda preserved in nineteenth-century print culture resonates with contemporary U.S.-Mexico relations.

<u>Looking South: The Mexican Isthmus</u> <u>Through Gringo Glasses</u>

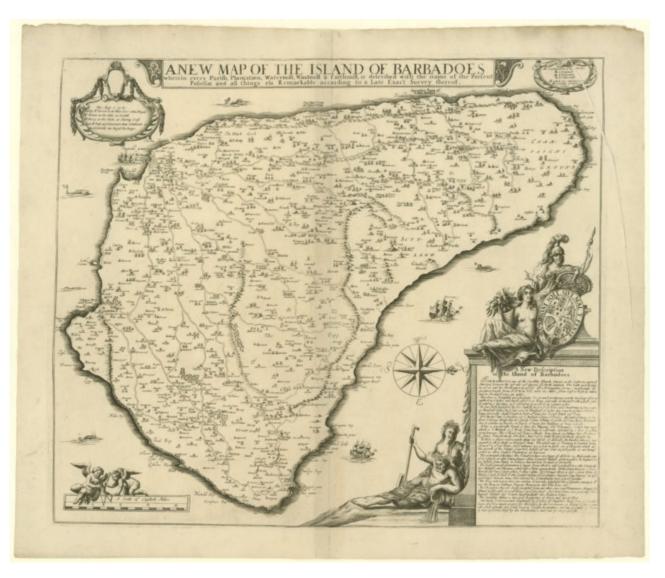

In the years that followed the annexation, plans for the next North American grab (or purchase) of Mexican lands became a regular topic of debate on the

The Role of Anti-Catholicism in the U.S.-Mexican War

As Americans looked westward for new territory, many viewed mixed-raced Mexicans and their Roman Catholic religion as inferior and incompatible with the Anglo-Saxon Protestant republicanism that was fated to sweep the continent.

<u>A Promotional Map of Barbados, c. 1675</u>

Looking at this peaceful, productive view, you would never imagine that Barbados had recently been hit by a devastating hurricane that reduced the machinery of the booming sugar industry to smithereens and threatened to overturn the island's slaveholding society.

The Jamaica Maroons and the Dangers of Categorical Thinking
